greatest dream of the dragonriders was to find a way to eradicate Thread completely, so that never again would their beloved Pern be threatened with destruction. Now, for the first time, it looks as if that dream can come true. For when the people of Pern, led by Masterharper Robinton and F'lar and Lessa, Weyrleader and Weyrwoman of Bendon

Sixth and foremost, Holders, who in turn supported the dragonriders, Pern ' s greatest weapon against Thread. But not everyone on Pern was protected. Some, like Jayge ' s trader clan, simply preferred the freedom of the roads to the security of a hold. Others, like Aramina ' s family, had lost their homes. Regardless of their differences, however,

they all feared the outlaws who preyed on holds and holdless alike. The Lady Thella's renegades are the most dangerous yet—all they need is Aramina, whose telepathic link with dragons can help them evade the dragonrider patrols. But Jayge is out to stop Thella . . .and he will never let her have Aramina.

the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth.
