Out of all the mysterious boarders who call Sanctuary home, no one is more antisocial or withdrawn than Maxis Drago. But then, it's hard to blend in with the modern world when you have a fifty foot wingspan. Centuries ago, he was cursed by an enemy who swore to see him fall. An enemy who took everything from him and left him forever secluded. But Fate is a bitch, with a wicked sense of humor. And when she throws old enemies together and threatens the wife he thought had died centuries ago, he comes back with a vengeance. Modern day New Orleans has become a battleground for the oldest of evils. And two dragons will hold the line, or go down in flames, in *Dragonbane*, the next explosive Dark-Hunter novel from #1 New York Times bestselling author Sherrilyn Kenyon.

Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since *Acheron* is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

A New York Times bestseller! #1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark-Hunters in *Stygian*, with a hero misunderstood by many...but most of all by himself. Born before man recorded time, I lived for thousands of years believing myself to be something I ' m not. Someone I ' m not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I ' ve struggled to find my way in a world where I ' ve been

cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that singses us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Centuries ago, Illarion was betrayed— a dragon made human against his will, then forced to serve humanity as a dragonmount in their army, and to fight for them in barbaric wars, even while he hated everything about them. Enslaved and separated from everyone he knew and from his own dragon brothers, he was forced into exile in a fey realm where he lost the only thing he ever really loved. Now he has a chance to regain what's been lost— to have the one thing he covets most. But only if he gives up his brothers and forsakes the oaths he holds most dear. Yet what terrifies him most isn't the cost his happiness might incur, it's the fact that there is just enough human in his dragon's heart that he might actually be willing to pay it and betray everything and everyone— to see the entire world burn in Dragonmark, the next blockbuster Dark-Hunter novel by #1 New York Times bestselling author Sherrilyn Kenyon.
