Other Weird Stories is the perfect introduction to the father of weird fiction. The title story "The White People" is an exercise in the bizarre leaving the reader disoriented and on edge.

### ~~The White People and Other Weird Stories by Arthur Machen~~

"As a selection of 'weird' short stories, The White People is a fine example of the precursor to what has become a popular subgenre of fantasy fiction, as well as a window on to the spiritual concerns of the Welsh author Arthur Machen (1863-1947): the veil separating the phenomenal world and the supernal realm is thin. While we may have forgotten the rituals, spells, charms and wards once used to commune with the spirits, the spirits have not forgotten us."

"The White People" is a horror short story by Welsh author Arthur Machen. Written in the late 1890s, it was first published in 1904 in Horlick's Magazine, edited by Machen's friend A. E. Waite, then reprinted in Machen's collection The House of Souls. The story has since been described as an important example of horror fiction, influencing generations of later writers.

The term Other White is a classification of ethnicity in the United Kingdom and has been used in documents such as the 2011 UK Census to describe people who self-identify as white persons who are not of the English, Welsh, Scottish, Romani or Irish ethnic groupings. The category does not comprise a single ethnic group but is instead a method of identification for white people who are not represented by other white census categories. This means that the Other White group contains a diverse collec
